Lisa,

Attached is the latest version I have.

Douglas - I was out the week that Shaun signed this. Were there any other changes in my absence? I don't think there were. Callie was the last one I got an edits from.

Subject: Type Setting Request

Hi Craig,

I need the word document for the FRN-- final version. I have a document from July 8, is that the final version? If so will forward that to Stephanie. Otherwise, please send me the word document and Stephanie will process the request today.

Thanks,

Lisa
